AGREEMENT: I, the undersigned applicant and licensed contractor hereby make application for an onsite sewage disposal system permit, agreeing that all such work herein specified shall be done in strict compliance with ordinances and regulations of Chanhassen and all rules and regulations of the State of Minnesota. The undersigned agree that the plot, plan, system design, and specifications submitted and which are approved by Chanhassen together with any additional conditions or restrictions shall become a part of the permit. The undersigned further agrees that no part of the system shall be covered until it has been inspected and approved and further agree that it is the responsibility of the undersigned to notify the inspector that the job is ready for inspection. This application is for a sewage system at a specific location on the site and with specific plans. Any deviation from the approved location or plan will cause the permit to become void.
