4. Twelve (12) indoor events with over 200 attendees per calendar year. An event-specific seating plan and temporary event permit must be filed with the City at least ten (10) days in advance of each event.
5. Private events with 200 or less attendees. Office.
6. Multiple buildings on a lot.
7. One (1) outdoor event per calendar year, this event requires a special event permit and is subject to all requirements of Section 20-964 of the City Code.

c. Conditional Uses. The following conditional use is permitted:

1. Hotel.

d. Prohibited Uses. The following uses are prohibited:

1. All conditional and permitted uses not listed as permitted or conditional uses.

e. Materials and Design

Fence:

Fences shall comply with City Code requirements including the Buffer Yard requirements, except that fences may be opaque to provide security screening.

f. Development Plans and Regulations.

The PUD must be maintained in accordance with the following development plans which are on file with the City and which are incorporated herein by reference:

1. Site Plan – SRF Consulting Group, Inc. Parking Study dated September 15, 2016, Figure 5, Option 1, with a north access right-in for buses only and right-out only for buses, and passenger vehicles.
2. The tent identified on the Site Plan may only be used for the sale of food, beverages and memorabilia.
3. A hotel may only be in the round building on the Site Plan and may not exceed 35 guest rooms.
4. Site Improvement Performance Agreement approved by the Chanhassen City Council on October 24, 2016.
5. Landscaping along the east side of Audubon Road is required and shall include roses, junipers and barberry.

g. Parking

1. Parking lots and parking spaces shall comply with city code requirements.
2. If guests only arrive to the site by a shuttle bus the tour size shall be limited by the maximum occupancy under the Fire Code.
3. Audubon Road must be striped to include a left turn lane into the southern access.
4. All required permits, including from the Riley-Purgatory-Bluff Creek Watershed District, must be obtained prior to installing the pavement.
5. The north access shall be limited to a right-in for buses only and right-out of the site for buses and passenger vehicles.
6. The traffic signal at Highway 5 and Audubon Road must be optimized based on the SRF study.
7. The number of guests allowed on the site shall be limited so that either (a) there are a sufficient number of on-site parking spaces to accommodate guests who arrive by a personal vehicle, or (b) guests arrive and depart by bus.

8. Until all parking requirements have been constructed, all access to the site shall be by bus with the exception of employees, contractors and 40 guest cars per hour maximum.
9. If the on-site parking is inadequate, the maximum allowable tour size shall be reduced to a level where the on-site parking is sufficient, or the PUD and the site plan must be amended to provide more parking or guests shall be bused to and from the site. Any changes to the site plan are subject to review and approval by the City and other agencies with regulatory authority over the site.

Section 2. This ordinance shall be effective immediately upon its passage and publication.

PASSED AND ADOPTED this 26th day of May, 2020, by the City Council of the City of Chanhassen, Minnesota.
