

2024 City Pavement Rehabilitation Project

CITY PROJECT 24-01

DECEMBER 2023

2024 CITY PAVEMENT REHABILITATION PROJECT (CITY PROJECT 24-01)

Return by: ASAP

Name: _____
Address: _____
Phone: _____
Email: _____

A. Sanitary Sewer Service

1. Do you have regular problems with your sewer service or require regular cleaning of your service? Yes No
- i. If yes, how often? _____
 - ii. When was the last time? _____
 - iii. What problems were encountered? _____
 - iv. Other comments: _____

NOTE: if you have problems, the city may televise your sanitary sewer from within the house. What is the best way to reach you to set up a time to do this work?

- Phone #: _____ Best time(s) to call: _____
- Email: _____

B. Drainage Issues/Problems in the Right of Way

1. Does water stand on your property near the curb (within 10 feet) after big storms? Yes No
- i. If yes, how long is it there? _____
 - ii. Where is it in relation to your house (direction and feet)? _____
 - iii. Do you have interest in adding a rain garden on your property? _____
 - iv. Other comments: _____

NOTE: Some private drainage problems (which are usually attributed to grades at or near the foundation) would not be corrected by this street project.

C. Private Residential Utilities

1. Do you have any of the following in the vicinity of the existing street, sidewalk, or trails? (CHECK ALL THAT APPLY)
- Irrigation/sprinkler system
 - Invisible fence/pet containment systems

(Continued on Back)

2024 City Pavement Rehabilitation Project

CITY PROJECT 24-01

Other (private wiring, private pipes, etc.)

Comments: _____

D. Landscaping / Trees

1. Do you have specific landscaping or trees near the curb (within 10 feet) that would require replacement if impacted by the project.

If yes, please describe: _____

2. Do you have any special turf restoration requirements if lawn is disturbed (within 10 feet of the curb) that would require special consideration if impacted by the project.

If yes, please describe: _____

E. Sidewalk Improvements

1. **For Chan View area residents: Do you feel there is a need for a sidewalk connection between Laredo Drive and Great Plains Blvd along Chan View?**

i. Do you feel there is a need for additional safety improvements with the cross walks at either end?

ii. Other comments: _____

F. Does your property have an encroachment agreement Yes No Unknown

G. Street Parking

1. Would you be ok with one side of the street being signed 'No Parking' to promote a safer street environment?

Yes No

H. Other Comments

1. If you have additional comments or questions about the proposed improvements to your street, please use the following space below to include your comments with this survey.

Your completed survey can be returned to the city at the address or email below:
