CHANHASSEN FIRE DEPARTMENT POLICY

Labeling Fire Rated Walls

General

Numbers and/or letters shall be placed on all rated fire walls identifying their rating. Said numbers and/or letters shall be not less than 5 inches high x 3 inches wide, with a minimum ¼ inch stroke and shall contrast with the background.

Requirements are for new and existing construction.

Occupancy Requirements

This policy is in effect for all occupancies **except** Group R-3.

Other Requirements

1. Identification shall be marked 10 feet from every corner or change of direction and every 30 feet thereafter. Identification shall be on both sides of interior walls
2. Identification can be hidden from plain view, i.e., above ceiling tiles or in attic spaces. All other locations must be approved by one of the following: Fire Marshal, Fire Inspector, Building Official, or Building Inspector.

Example: 1 hr (1 hour fire wall)
