Thank you for volunteering to serve on the Advisory Committee for the City of Chanhassen Parks and Recreation System Planning Process. The City and Consultant Team are excited about the group that has volunteered to guide the parks and recreation system planning process. The first meeting of the Advisory Committee will be on Thursday, September 8th from 7:00 to 9:00 p.m. in Room #3 at the Chanhassen Recreation Center (2310 Coulter Blvd – building is combined with Bluff Creek Elementary School).

It will also include an opportunity for Advisory Committee members to share their thoughts about the existing parks and recreation system; identify what could be improved; indicate priority system needs and opportunities; and express their goals for the system plan. The consultant team will also be sharing some of their initial findings regarding recreation trends that may impact the current and future parks and recreation programs in Chanhassen.

To assist in the system evaluation process, please plan to visit one or more local parks prior to the Advisory Committee meeting. Attached to this memo are the [Meeting Agenda](#), a [Park and Trail System Map](#), and the [2015 Parks and Recreation Annual Report](#) to help you prepare for the meeting.
